

KREHER

STEEL COMPANY, LLC

www.kreher.com

In the world of steel bars, wire and tube “Kreher Smart” begins with technical expertise, best practices and service.

Our sales people are forward-thinking. They treat your business as if it were their own. And they're backed up by staff metallurgists who assure technical excellence in both products and processes — ours and yours.

Our products work in your processes, and our processes keep your operations efficient. Let us manage your inventory, so you can manage your business.

We promise excellence in quality and service And that's what we deliver.

The promise of overall excellence is reflected by continued ISO certification since 1998. Kreher Steel Company, LLC's Quality Management System is ISO 9001:2008 certified in the USA and in the United Kingdom.

Kreher Wire Processing, Inc. attained ISO certification in 2001. Their Quality Management System is ISO 9001:2008 certified in the USA.

Every employee takes quality seriously and is committed to supply our customers with the highest quality products and services for the most competitive price.

Kreher Steel has also been a Caterpillar Inc. Wrought Steel Approved Supplier since December 7, 2006.

The right product, at the right time and place, for the right price. That's what we promise And that's what we deliver.

Kreher Steel Company, LLC supplies a wide range of products, in bundle and mill run quantities, for both large and small customers. We have a wide range of sizes and grades in stock.

Kreher Wire Processing, Inc. meets or exceeds ASTM F-2282. The continuous annealing furnaces are computer controlled to produce material to exacting specifications. Our drawing capability is .180" to 1.812". Kreher Wire Processing's commitment to provide customers with a low cost supply solution resulted in the 2008 start up of a new state-of-the-art pickle line.

We're everywhere you need us to be.

Our national network of facilities and warehouses puts us on-the-spot, ready to respond to your expectations for just-in-time delivery. We deliver the exact product you need, when and where you need it, to keep your costs down.

In the world of steel bars, wire and tube “Kreher Smart” continues on with our proven performance and our customer's trust.
