

# COPEN MACHINE

Made in the USA ★ Trusted Worldwide

We are pleased to announce as of Nov. 2017 We have been certified to the ISO 9001:2015 standard. We are delighted to serve our customers even better through the well-defined and documented processes this certification requires. While we've always been committed to quality in our products and services, this upgraded certification ensures a more productive environment through faster identification and resolution of quality issues, among many other benefits. A full certificate can be viewed through our website at [www.copenmachine.com](http://www.copenmachine.com)

We partnered with Smithers Quality Assessments, [www.smithersregistrar.com](http://www.smithersregistrar.com), an accredited quality and environmental management systems certification body, to achieve our certification.
