

WAR WORKS AND KAISER ALUMINUM-UMFORMTECHNIK ANNOUNCE NORTH AMERICAN DISTRIBUTOR PARTNERSHIP

CONROE, TX: January 17, 2019 War Works Industries Corp (War Works) and Kaiser Aluminum-Umformtechnik GmbH (Kaiser) are proud to announce their strategic partnership to distribute forged and milled aluminum parts for the automotive, medical, aerospace, and defense and shooting sports industry.

War Works is a veteran-owned business specializing in distributing, building and selling defense and shooting sports firearms and gear. Their gun line, War Machine Gun Works, features parts from high-quality manufacturers such as Kaiser, Ballistic Advantage, and Schmeisser.

“Kaiser is well-known in Europe for their high-quality aluminum forgings and milled parts. Their automotive customers, such as Lamborghini, Bentley, Porsche, Audi R8 and AMG, speak to the unbeatable quality and well-managed processes that Kaiser employs in their factories. In the defense industry, Kaiser partners with H&K, Schmeisser, Merkel, and Haenel.”, says Chris Sadler, CEO of War Works Industries Corp and prior-service US Marine. “We are very excited to be able to offer this level of quality and consistency, not just to the defense and shooting sports industry in North America, but also the aerospace, medical and automotive industries as well. Kaiser forgings will become the new benchmark in quality and consistency for manufacturing.”

Kaiser is an aluminum forging and milling manufacturer based in the Black Forest of Germany and is a family-owned business of 30 years.

Visit the Supplier Showcase, booth S2508, to meet the owners of War Works and Kaiser and see for yourself these quality forgings that are now available in North America.
